**PROXY STATEMENT  
For The  
ANNUAL MEETING OF STOCKHOLDERS  
To Be Held June 5, 2017**

**ABOUT THIS PROXY STATEMENT**

This Proxy Statement is furnished by GeoVax Labs, Inc., a Delaware corporation, in connection with the solicitation of your proxy by the Company's Board of Directors for use at our Annual Meeting of Stockholders to be held at the offices of Womble Carlyle Sandridge & Rice, LLP 271 17<sup>th</sup> Street, NW, Suite 2400, Atlanta, Georgia 30363, on June 5, 2017, at 9:00 a.m. local time and at any continuation or adjournment thereof.

**Important Notice Regarding the Availability of Proxy Materials for the Stockholders Meeting to be held on June 5, 2017.**

**The Notice of Annual Meeting of Stockholders, Proxy Statement, Form of Proxy and 2016 Annual Report are available at [www.proxyvote.com](http://www.proxyvote.com).**

This year, the Company is again using the U.S. Securities and Exchange Commission ("SEC") rule that allows us to furnish our proxy materials over the Internet. On or about April 26, 2017, the Company started mailing to its stockholders a Notice of Internet Availability of Proxy Materials (a "Notice"). The Notice contains instructions on how to access this Proxy Statement and our Annual Report on Form 10-K ("Annual Report") and vote online or by telephone. The Notice also contains instructions on how stockholders can receive a paper copy of the Company's proxy materials, including this Proxy Statement, the Company's Annual Report on Form 10-K and a form of proxy card or voting instruction card. Stockholders who receive a paper copy of the Company's proxy materials, including a Proxy Statement, the Company's Annual Report and a form of proxy card or instruction card may vote online, by telephone or by mail. By furnishing proxy materials over the Internet, the Company lowers the costs and reduces the environmental impact of the Annual Meeting.

**The Proposals**

At the Annual Meeting, the stockholders will be asked to consider and vote upon the following proposals, which we refer to as the "Proposals":

1. To elect six directors to serve until the 2018 Annual Meeting of Stockholders;
2. To ratify the appointment of Porter Keadle Moore LLC as the independent registered public accounting firm of GeoVax Labs, Inc. for the fiscal year ending December 31, 2017;
3. To hold an advisory vote on the compensation of our Named Executive Officers;
4. To transact such other business as properly may come before the Annual Meeting or any adjournments thereof.

The Board of Directors is not aware of any other business to be presented to a vote of the stockholders at the Annual Meeting.

## Voting

Stockholders of record may vote:

- *By Internet* – Over the Internet, by going to [www.proxyvote.com](http://www.proxyvote.com). Have your proxy card or Notice Regarding Availability of Proxy Materials in hand when you access the website and follow the instructions to obtain your records and create an electronic voting instruction form.
- *By Telephone* – Over the telephone, by dialing 1-800-690-6903 from any touch-tone telephone. Have your proxy card or Notice Regarding Availability of Proxy Materials in hand when you call and follow the instructions.
- *By Mail* – By mail using the enclosed proxy card. Please complete, sign and date your proxy card and return it promptly in the envelope provided or mail it to Vote Processing, c/o Broadridge, 91 Mercedes Way, Edgewood, New York 11717. When the proxy card is properly executed, dated, and timely returned, the shares it represents will be voted in accordance with its instructions.
- *By Attending the Meeting in Person* – By attending the meeting in person and voting.

Internet and telephone voting facilities will close at 11:59 p.m., Eastern Daylight Time, on June 4, 2017.

A large number of banks, brokerage firms and other nominees participate in online programs which provide the opportunity to vote over the Internet or by telephone to eligible beneficial owners who hold their shares in “street name” rather than as a stockholder of record. “Street name” stockholders who elect to access the proxy materials electronically over the Internet through an arrangement with their brokerage firm, bank or other nominee should receive instructions from their brokerage firm, bank or other nominee on how to access the stockholder information and voting instructions. If you hold your shares in “street name” and the voting instruction form that you receive from your brokerage firm, bank or other nominee does not reference Internet or telephone information, or if you prefer to vote by mail, please complete and return the paper voting instruction form. In order to vote shares held in “street name” in person at the Annual Meeting, a proxy issued in the owner’s name must be obtained from the stockholder of record (typically your brokerage firm, bank or other nominee) and presented at the Annual Meeting.

Stockholders of record and “street name” stockholders who vote over the Internet or by telephone need not return a proxy card or voting instruction form by mail, but may incur costs, such as usage charges, from telephone companies or Internet service providers, for which the stockholder is responsible.

“Broker non-votes” are proxies received from banks, brokerage firms or other nominees holding shares on behalf of their “street name” clients who have not been given specific voting instructions from such clients with respect to matters such as the Proposals. The banks, brokerage firms or other nominees do not have the authority to vote your shares in their discretion on the election of directors or the advisory vote on executive compensation, and may not vote them on those Proposals unless given specific voting instructions from you. If you hold your shares in street name and do not provide voting instructions to your brokerage firm, bank or other nominee with respect to the election of directors or the advisory vote on executive compensation, your shares will not be voted on those Proposals.

## Revocability of Proxy

If you give us a proxy you will have the power to revoke it at any time before it is exercised. The proxy may be revoked before it is exercised by sending a written revocation or a duly executed proxy bearing a later date to us at our principal executive offices located at 1900 Lake Park Drive, Suite 380, Smyrna, Georgia 30080; Attention: Corporate Secretary. The proxy may also be revoked by attending the meeting and revoking your proxy in writing or voting in person.

When the proxy is properly executed, dated and returned, the shares it represents will be voted in accordance with any directions noted on it. **If no instructions are indicated, the proxy will be voted FOR the approval of the Proposals.** We currently know of no other matters to be considered at the Annual Meeting of Stockholders. **If, however, any other matters come before the Annual Meeting of Stockholders, or any adjournment or adjournments thereof, the persons named in the proxy will vote the proxy in accordance with their best judgment on any such matter.**

## **Record Date, Voting Rights and Outstanding Shares**

The Board of Directors fixed April 12, 2017 as the record date (the “Record Date”) for determining holders of our common stock, \$0.001 par value per share, who are entitled to vote at the meeting. As of the Record Date, we had 58,718,567 shares of common stock outstanding and entitled to vote. Each share of common stock entitles the stockholder of record to one vote on each matter to be voted upon at the meeting. A majority of the shares of common stock issued and outstanding and entitled to vote at the meeting will constitute a quorum at the meeting. If a quorum is not present or represented at the Annual Meeting, the Chairman of the meeting or the stockholders holding a majority of the shares of Common Stock entitled to vote, present in person or represented by proxy, have the power to adjourn the meeting without notice, other than an announcement at the meeting, until a quorum is present or represented. Directors, officers and employees of the Company may solicit proxies for the reconvened meeting in person or by mail, telephone or telegram. At any such reconvened meeting at which a quorum is present or represented, any business may be transacted that might have been transacted at the meeting as originally scheduled. Cumulative voting is not permitted. Stockholders do not have dissenters’ rights of appraisal with respect to any of the Proposals.

**Unless otherwise indicated on the proxy, your shares will be voted “FOR” the election of the director-nominees named on the proxy, “FOR” the proposal to ratify the selection of our independent registered accountants, and “FOR” the approval of the compensation of our Named Executive Officers. Proxies cannot be voted for a greater number of persons than the number of director-nominees named.**

## **Solicitation**

The cost of preparing, assembling and mailing this Proxy Statement and the form of proxy will be borne by the Company. Directors, officers and employees of the Company may also solicit proxies personally or by mail, telephone, email, or facsimile. No compensation will be paid for such solicitations. In addition, the Company will bear the reasonable expenses of brokerage houses and other custodians, nominees and fiduciaries who, at the request of the Company, may send proxies and proxy solicitation material to their clients and principals.

## **Quorum and Approval of Proposals**

For there to be a quorum at the meeting, a majority of the shares of common stock entitled to vote at the meeting must be present in person or represented by proxy. Each share of common stock is entitled to one vote. Shares held by stockholders of record or their nominees who do not vote by proxy or attend the Annual Meeting in person will not be considered present or represented at the Annual Meeting and will not be counted in determining the presence of a quorum. Properly completed and executed proxies that reflect abstentions or “broker non-votes” will be counted for purposes of determining whether a quorum is present. We encourage you to provide voting instructions to your bank, broker or other nominee to ensure that your shares will be voted at the meeting in the manner that you desire.

The election of directors will be determined by a plurality of the votes cast at the Annual Meeting if a quorum is present. Stockholders do not have cumulative voting rights in connection with the election of directors. This means that the six nominees receiving the highest number of “FOR” votes will be elected as directors. Withheld votes and broker non-votes, if any, are not treated as votes cast, and therefore will have no effect on the proposal to elect directors. The selection of our independent registered accountants will be ratified by stockholders if the votes cast in favor of the proposal exceed the votes cast against it. Abstentions and broker non-votes are not considered as votes cast, and therefore will have no effect on the outcome of the vote on the ratification of our independent registered public accounting firm. The compensation of our Named Executive Officers will be approved, on an advisory basis, if the votes cast in favor of the proposal exceed the votes cast against it. Abstentions and broker non-votes, if any, are not treated as votes cast, and therefore will have no effect on the outcome of the vote on this proposal. Because the stockholder vote is advisory, it will not be binding on the Company, the Board of Directors or the Compensation Committee. However, the Board of Directors and the Compensation Committee will consider the outcome of the vote when making future compensation decisions for our executive officers.

**PROPOSAL 1  
ELECTION OF DIRECTORS**

## CORPORATE GOVERNANCE

The Company's Bylaws provide that the number of members of our Board of Directors shall be determined from time to time by resolutions of the Board of Directors, but shall not be less than three or more than nine. Our Board of Directors currently has six members.

### Director Nomination Process

Our Nominating and Corporate Governance Committee is responsible for making recommendations on nominees for election as directors to the Board of Directors.

We do not have specific minimum qualifications that a person must meet in order to serve on our Board of Directors, nor do we have a formal policy about the consideration of any director candidates recommended by stockholders. However, our Nominating and Governance Committee, and our Board of Directors, believe that directors should possess the highest personal and professional ethics, integrity and values, and be committed to representing the long-term interests of the Company's stockholders. Each director must also be able to dedicate the time and resources sufficient to ensure the diligent performance of his or her duties. Further, our Board of Directors is intended to encompass a range of talents, experience, skills, backgrounds, and expertise sufficient to provide sound and prudent guidance with respect to the operations and interests of GeoVax and its stockholders. We do not have a formal policy on Board diversity as it relates to race, gender, or national origin.

GeoVax considers persons for nomination for election to the Board of Directors from any source, including stockholder recommendations. The Nominating and Governance Committee does not evaluate candidates differently based on who has made the recommendation. Consideration of nominee candidates typically involves a series of internal discussions, a review of information concerning candidates, and interviews with selected candidates. To date, no third parties have been engaged to assist us in finding suitable candidates to serve as directors. All of our nominees are directors standing for re-election. The nomination of each director was recommended by the Nominating and Governance Committee, and then by the Board of Directors followed the recommendation.

Our Nominating and Governance Committee will consider stockholder recommendations for directors sent to GeoVax Labs, Inc., 1900 Lake Park Drive, Suite 380, Smyrna, Georgia 30080, Attention: Chairman of the Nominating and Governance Committee. Any recommendation from a stockholder should include the name, background and qualifications of such candidate and should be accompanied by evidence of such stockholder's ownership of GeoVax's common stock. The Nominating and Governance Committee may ask for additional information.

A stockholder making any proposal shall also comply with all applicable requirements of the Securities Exchange Act of 1934.

## **Director Independence**

The Board of Directors has determined that Messrs. Chase, Dodd, Kollintzas, and Spencer are the members of our Board of Directors who are "independent," as that term is defined by Section 301(3)(B) of the Sarbanes-Oxley Act of 2002. The Board of Directors has also determined that these three individuals meet the definition of "independent director" set forth in Rule 5605(a)(2) of the Nasdaq Listing Rules. As independent directors, Messrs. Chase, Dodd, Kollintzas and Spencer qualify as members of our Audit Committee, our Compensation Committee, and our Nominating and Governance Committee as set forth in the chart at "Director Nominees and Executive Officers."

## **Board Structure, Leadership, and Committees**

Our Board of Directors, as a whole, and acting through its committees, has responsibility for management of our business and affairs. The offices of Chairman of the Board and of President and Chief Executive Officer are separate. We believe the separation of these roles allows the Chief Executive Officer more time to focus on day-to-day business while allowing the Chairman of the Board to lead the Board in its fundamental role of providing advice to and independent oversight of management. The separation also promotes communication. Our Chairman of the Board, President and Chief Executive Officer, and our other executive officers, communicate regularly with each other and with our Board of Directors. We believe the relatively small number of directors, executive officers and employees, and their interaction, facilitate information sharing and decision-making with respect to most aspects of our operations, including oversight of risk management.

*Board of Directors.* The Board of Directors held five meetings during 2016 and took action by unanimous written consent on two other occasions. Each director attended at least 75% of the total meetings of the Board and the committees on which they served during 2016. We strongly encourage, but we do not require, our directors to attend our Annual Stockholders' Meeting. All of our then-serving directors attended our Annual Stockholders' Meeting in 2016.

Our Board of Directors has a standing Audit Committee, Compensation Committee, and Nominating and Governance Committee. The Audit Committee has been delegated formal authority and responsibility for overseeing certain elements of risk, as described below.

*Audit Committee.* The Audit Committee provides assistance to the Board of Directors in fulfilling its oversight responsibility relating to: (i) the integrity of the Company's financial statements; (ii) the effectiveness of the Company's internal control over financial reporting; (iii) the Company's compliance with legal and regulatory requirements; and (iv) the independent registered public accounting firm's qualifications, independence and performance. The Audit Committee is responsible for reviewing our policies with respect to risk assessment and risk management, and for monitoring our business risk practices. It also prepares the Audit Committee report that SEC proxy rules require for this proxy statement. Our Audit Committee is currently comprised of Mr. Spencer (Chairman), Mr. Chase, and Mr. Kollintzas. Our Board of Directors has determined that each member of the committee is independent in accordance with the criteria of independence set forth in Section 301(3)(B) of the Sarbanes-Oxley Act of 2002, and Rule 5605(c)(2) of the Nasdaq Listing Rules and that Mr. Spencer qualifies as an "audit committee financial expert" as defined by the SEC's rules. The Audit Committee has adopted a charter, a current copy of which is available on our website at [www.geovax.com](http://www.geovax.com). The Audit Committee held four meetings during 2016.

*Compensation Committee.* The Compensation Committee has responsibility for matters relating to the fair and competitive compensation of the Company's executives, employees and non-employee directors, as well as our benefit plans. The Committee consults with the Company's President and Chief Executive Officer, but does not delegate the authority to set executive compensation. Our Compensation Committee is currently comprised of Mr. Chase (Chairman), Mr. Dodd, and Mr. Spencer. The Compensation Committee has adopted a charter, a current copy of which is available on our website at [www.geovax.com](http://www.geovax.com). The members of the Compensation Committee are independent, as required by the Compensation Committee Charter. Any stockholder who wishes to communicate directly with our Board of Directors should do so in writing, addressed to GeoVax Labs, Inc., c/o Audit Committee Chair, 1900 Lake Park Drive, Suite 380, Smyrna, Georgia 30080. Communications sent to individual directors must clearly indicate the name of the director for whom they are intended. Unless marked “Confidential”, we screen mail addressed to the Board, its Committees or any specified individual director for security purposes and to ensure that the mail relates to discrete business matters that are relevant to our Company. Mail that satisfies these screening criteria is required to be forwarded to the appropriate director or directors. If marked “Confidential”, these communications will not be screened by management before they are delivered to the Audit Committee Chair. Stockholders who wish to submit director nominees for consideration by the Nominating and Governance Committee should follow the directions at “Director Nomination Process.”

### **Code of Ethics**

Our Board of Directors has adopted a written Code of Ethics, a copy of which is available on our website at [www.geovax.com](http://www.geovax.com). The Company will provide a copy of the Code of Ethics upon request to any person without charge. Such requests may be transmitted by regular mail in the care of the Corporate Secretary. We require all officers, directors and employees to adhere to this code in addressing the legal and ethical issues encountered in conducting their work. The code requires that employees avoid conflicts of interest, comply with all laws and other legal requirements, conduct business in an honest and ethical manner, and otherwise act with integrity and in our best interest. Employees are required to report any conduct that they believe in good faith to be an actual or apparent violation of the code. The Sarbanes-Oxley Act of 2002 requires certain companies to have procedures to receive, retain and treat complaints received regarding accounting, internal accounting controls or auditing matters and to allow for the confidential and anonymous submission by employees of concerns regarding questionable accounting or auditing matters. We have such procedures in place.

The Company will post on its website, [www.geovax.com](http://www.geovax.com), or will disclose on a Form 8-K filed with the SEC, any amendments to, or waivers from, a provision of the Code of Ethics that applies to the Chief Executive Officer or the Chief Financial Officer, or persons performing similar functions, and that relate to (i) honest and ethical conduct, including the ethical handling of actual or apparent conflicts of interest between personal and professional relationships; (ii) full, fair, accurate, timely, and understandable disclosure in reports and documents that the Company files with, or submits to, the SEC and in other public communications made by the Company; (iii) compliance with applicable governmental laws, rules and regulations; (iv) the prompt internal reporting of violations of the Code of Ethics to an appropriate person or persons identified in the code; or (v) accountability for adherence to the Code of Ethics. Any waiver granted to an executive officer or a director may only be granted by the Board and will be disclosed, along with the reasons therefor, on a Form 8-K filed with the SEC. No such waivers were granted in 2016.

### **Section 16(a) Beneficial Ownership Reporting Compliance**

Section 16(a) of the Exchange Act, as amended, requires our executive officers and directors and persons who own more than 10% of a registered class of our equity securities, as well as certain affiliates of those persons, to file with the SEC initial statements of beneficial ownership, reports of changes in ownership and annual reports concerning their ownership of common stock and other of our equity securities on Forms 3, 4, and 5, respectively. Executive officers, directors and greater than 10% stockholders are required by SEC regulations to furnish us with copies of all Section 16(a) reports they file. Based solely on our review of the copies of such reports we received and written representations that no other reports were required to be filed for those persons, we believe that, during 2016, all of our executive officers, directors and owners of more than 10% of our common stock filed all reports required by Section 16(a) on a timely basis.

#### *Employment Agreement with Robert T. McNally, PhD*

Robert T. McNally, PhD serves as our President and Chief Executive Officer, under an employment agreement dated March 20, 2008 and amended on October 22, 2013. The employment agreement has no specified term. The employment agreement provided for an initial annual salary of \$200,000 to Dr. McNally, subject to periodic increases as determined by the Compensation Committee. The Board of Directors may also approve the payment of a discretionary bonus annually. Dr. McNally is eligible for grants of awards from our equity incentive plans and is eligible for health insurance and 401(k) benefits at the same level and subject to the same conditions as provided to all other employees.

Dr. McNally’s current annualized full-time base salary is \$275,000. In February 2014, Dr. McNally reduced his time commitment to the company from 100% to 60%, and his base salary has been adjusted proportionately to \$165,000. In April 2016, to help conserve the Company’s cash resources, Dr. McNally agreed to defer a portion of his base salary, effectively

reducing his annualized salary from \$165,000 to \$25,000. At April 15, 2017, Dr. McNally's accumulated salary deferral is \$135,208.

If we terminate Dr. McNally's employment without cause, in addition to his accumulated unpaid salary deferral, we will pay him a severance payment in the form of monthly payments of base salary for a period equal to one week for each full year of service (8 weeks as of December 31, 2016). Dr. McNally may terminate the employment agreement at any time by giving us 60 days' notice. In that event, he would not receive severance. If we terminate Dr. McNally's employment at any time during the three month period which immediately precedes a change in control (as defined in the amended employment agreement) or during the one year period following a change in control, then we would pay an amount in cash equal to (a) three times his then base salary and target annual bonus, (b) three times the cost to provide 401(k) or other deferred compensation or health and welfare benefits to him, and (c) a tax gross-up payment (if an excise tax is imposed by § 4999 of the Internal Revenue Code or any related interest or penalties are incurred by him). The change of control provision also provides for full and complete vesting of all stock option grants held by Dr. McNally.

#### *Employment Agreement with Mark W. Reynolds*

Mark W. Reynolds serves as our Chief Financial Officer, under an employment agreement dated January 1, 2010 and amended on October 22, 2013. The employment agreement has no specified term. The employment agreement provided for an initial annual salary of \$212,600 to Mr. Reynolds, subject to periodic increases as determined by the Compensation Committee. The Board of Directors may also approve the payment of a discretionary bonus annually. Mr. Reynolds is eligible for grants of awards from our equity incentive plans and is eligible for health insurance and 401(k) benefits at the same level and subject to the same conditions as provided to all other employees.

Mr. Reynolds' current annualized base salary is \$234,392. In April 2016, to help conserve the Company's cash resources, Mr. Reynolds agreed to defer a portion of his base salary, effectively reducing his annualized salary from \$234,392 to \$140,635. At April 15, 2017, Mr. Reynolds' accumulated salary deferral is \$89,850.

If we terminate Mr. Reynolds' employment without cause, in addition to his accumulated unpaid salary deferral, we will pay him a severance payment in the form of monthly payments of base salary for a period equal to one week for each full year of service (10 weeks as of December 31, 2016). Mr. Reynolds may terminate the employment agreement at any time by giving us 60 days' notice. In that event, he would not receive severance. If we terminate Mr. Reynolds' employment at any time during the three month period which immediately precedes a change in control (as defined in the amended employment agreement) or during the one year period following a change in control, then we would pay an amount in cash equal to (a) two times his then base salary and target annual bonus, (b) two times the cost to provide 401(k) or other deferred compensation or health and welfare benefits to him, and (c) a tax gross-up payment (if an excise tax is imposed by § 4999 of the Internal Revenue Code or any related interest or penalties are incurred by him). The change of control provision also provides for full and complete vesting of all stock option grants held by Mr. Reynolds.

#### *Employment Agreement with Farshad Guirakhoo, PhD*

Farshad Guirakhoo, PhD serves as our Chief Scientific Officer, under an employment agreement dated October 19, 2015 and amended on December 15, 2015. The employment agreement has no specified term. The employment agreement provided for an initial annual salary of \$250,000 to Dr. Guirakhoo, subject to periodic increases as determined by the Compensation Committee. The Board of Directors may also approve the payment of a discretionary bonus annually. Dr. Guirakhoo is eligible for grants of awards from our equity incentive plans and is eligible for health insurance and 401(k) benefits at the same level and subject to the same conditions as provided to all other employees. Dr. Guirakhoo's current annualized base salary is \$250,000. We are also paying him a monthly housing allowance of \$1,500 (\$18,000 annually).

If we terminate Dr. Guirakhoo's employment without cause, we will pay him a severance payment in the form of monthly payments of base salary for a period equal to one week for each full year of service (one week as of December 31, 2016). Dr. Guirakhoo may terminate the employment agreement at any time by giving us 60 days' notice. In that event, he would not receive severance. If we terminate Dr. Guirakhoo's employment at any time during the three month period which immediately precedes a change in control (as defined in the amended employment agreement) or during the one year period following a change in control, then we would pay an amount in cash equal to (a) two times his then base salary and target annual bonus, (b) two times the cost to provide 401(k) or other deferred compensation or health and welfare benefits to him, and (c) a tax gross-up payment (if an excise tax is imposed by §4999 of the Internal Revenue Code or any related interest or penalties are incurred by him). The change of control provision also provides for full and complete vesting of all stock option grants held by Dr. Guirakhoo.

If each Named Executive Officer was terminated without cause on December 31, 2016, the following amounts, which represent one week of pay for each full year of service to the Company, would be payable to each Named Executive Officer as salary continuance under the terms of such Named Executive Officer's employment agreement: Dr. McNally \$25,385; Mr. Reynolds \$45,075; and Dr. Guirakhoo \$4,808.

In October 2006 GeoVax Labs, Inc. and our subsidiary, GeoVax, Inc. entered into indemnification agreements with Messrs. McNally, Reynolds, Kollintzas and Spencer. Pursuant to these agreements, we have agreed to indemnify them to the full extent permitted by Illinois and Georgia law against certain liabilities incurred by these individuals in connection with specified proceedings if they acted in a manner they believed in good faith to be in or not opposed to the best interests of the Company and, with respect to any criminal proceeding, had no reasonable cause to believe that such conduct was unlawful. The agreements also provide for the advancement of expenses to these individuals subject to specified conditions.

### Outstanding Equity Awards at Fiscal Year-End

GeoVax has awarded stock options to its senior management and other employees, pursuant to the GeoVax Labs, Inc. 2006 Equity Incentive Plan (the "2006 Plan") and the GeoVax Labs, Inc. 2016 Stock Incentive Plan (the "2016 Plan"). The terms of these awards typically provide for vesting over a defined period of time, generally three years. The options expire if not exercised within ten years from the date of grant. The Company does not have a formula for determining stock option awards. Awards are generally based on the subjective judgment of the President and Chief Executive Officer and on the Compensation Committee's subjective judgment. The following table sets forth certain information with respect to unexercised options previously awarded to our Named Executive Officers that were outstanding as of December 31, 2016.

- (1) These stock options vest and become exercisable in three equal installments on December 13, 2017, 2018 and 2019.
- (2) These stock options vest and become exercisable in two equal installments on December 8, 2017 and 2018.
- (3) These stock options vest and become exercisable on December 9, 2017.
- (4) These stock options vest and become exercisable in two equal installments on October 19, 2017 and 2018.

The 2006 Plan and the 2016 Plan, which we refer to as the “Plans,” each contain provisions that could lead to an accelerated vesting of options or other awards. In the event of certain change-in-control transactions described in the Plans, (i) outstanding options or other awards may be assumed, converted or replaced; (ii) the successor corporation may substitute equivalent options or other awards or provide substantially similar consideration to Plan participants as were provided to stockholders (after taking into account the existing provisions of the options or other awards); or (iii) the successor corporation may replace options or awards with substantially similar shares or other property.

In the event the successor corporation (if any) refuses to assume or substitute options or other awards as described (i) the vesting of any or all options or awards granted pursuant to the Plans will accelerate upon the change-in-control transaction, and (ii) any or all options granted pursuant to the Plans will become exercisable in full prior to the consummation of the change-in-control transaction at such time and on such conditions as the Compensation Committee determines. If the options are not exercised prior to the consummation of the change-in-control transaction, they shall terminate at such time as determined by the Compensation Committee. Subject to any greater rights granted to Plan participants under the Plans, in the event of the occurrence of a change-in-control transaction any outstanding options or other awards will be treated as provided in the applicable agreement or plan of merger, consolidation, dissolution, liquidation, or sale of assets.

If the Company had experienced a change-in-control event as described in the Plans on December 31, 2016, the value of accelerated options for each Named Executive Officer, based on the difference between the closing price of our common stock on the OTC Market on December 31, 2016, and, if lower, the exercise price per share of each option for which vesting would be accelerated for each Named Executive Officer, would be \$0.

## **Director Compensation Plan**

In March 2007, the Board of Directors approved a recommendation from the Compensation Committee for director compensation, which we refer to as the “Director Compensation Plan.” It was subsequently amended in March 2008, December 2009, and in December 2010. The Director Compensation Plan applies only to non-employee directors. Directors who are employees of the Company receive no compensation for their service as directors or as members of committees.

*Cash Fees* – For 2016, each non-employee director earned an annual retainer (paid quarterly) of \$5,000 for service as a member of the Audit Committee and \$3,300 for service as a member of the Compensation Committee or the Nominating and Corporate Governance Committee. The Chairman of the Audit Committee earned an annual retainer of \$9,000, and the Chairman of each of the Compensation Committee and the Nominating and Corporate Governance Committee earned an annual retainer of \$6,000. These retainers were also paid quarterly. Non-employee directors also earned fees for each Board of Directors or Committee meeting attended as follows: \$3,000 for in person Board of Directors meetings (\$1,500 for telephonic meetings), \$1,000 for in person Committee meeting chaired (\$750 for telephonic meetings), and \$500 for in person Committee meeting attended as a non-chair member (\$400 for telephonic meetings). Mr. Dodd, the non-employee Chairman of the Board during 2016, earned an annual retainer of \$30,000 (paid quarterly) and was not entitled to additional fees for Board meetings attended, but did earn additional fees for committees on which he serves.

During 2016, to help conserve the Company’s cash resources, each of our non-employee directors agreed to defer receipt of a portion of their respective cash fees earned. As of April 15, 2017, the accumulated deferrals were \$19,575 for Mr. Chase, \$48,150 for Mr. Dodd, \$11,694 for Mr. Kollintzas, and \$26,350 for Mr. Spencer.

*Stock Option Grants* – Each of our current non-employee directors received a grant of options to purchase 26,400 shares of common stock on the date that such non-employee director was first elected or appointed. We currently do not have a formula for determining annual stock option grants to directors (upon their re-election to the Board of Directors, or otherwise). Such option grants are currently determined by the Board of Directors, upon recommendation by the Compensation Committee based on the Compensation Committee’s annual deliberations and review of the director compensation structure of similar companies.

At its meeting in December 2016, upon a recommendation of the Compensation Committee, the Board of Directors approved an annual stock option grant of 50,000 shares to each of its non-employee members for ongoing service as members of the Board of Directors. The Board of Directors also approved supplemental stock option grants to each member based on a factor that considered each member’s respective cash fee deferral. Such supplemental stock option grants were 56,700 shares for Mr. Chase, 152,800 shares for Mr. Dodd, 29,300 shares for Mr. Kollintzas, and 73,500 shares for Mr. Spencer.

*Expense Reimbursement* – All directors are reimbursed for expenses incurred in connection with attending meetings of the Board of Directors and committees.

## **CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS**

### **Policies and Procedures for Approval of Related Party Transactions**

Our Audit Committee is responsible for reviewing and approving all transactions or arrangements between the Company and any of our directors, officers, principal stockholders or any of their respective affiliates, associates or related parties, other than transactions with officers which are covered by the duties of the Compensation Committee. In determining whether to approve or ratify a related party transaction, the Audit Committee will discuss the transaction with management and will consider all relevant facts and circumstances available to it including:

- whether the terms of the transaction are fair to the Company and at least as favorable to the Company as would apply if the transaction did not involve a related party.
- whether there are demonstrable business reasons for the Company to enter into the transaction.
- whether the transaction would impair the independence of a non-employee director; and
- whether the transaction would present an improper conflict of interest for any director or executive officer, taking into account the size of the transaction, the direct or indirect nature of the related party’s interest in the transaction and the ongoing nature of any proposed relationship, and any other factors the Audit Committee deems relevant.

These policies are in writing and included in the Company’s minute book.

Our Board of Directors has made the following findings and adopted the following policies (in writing) regarding related party transactions:

- The Company has not made and will not make loans or loan guarantees on behalf of any director, officer, beneficially owner of more than 5% of our common stock, or other person constituting a Promoter, as such term is defined in the NASAA Statement of Policy Regarding Corporate Securities Definitions.
- The Company has not engaged and will not engage in material transactions with any director, officer, beneficial owner of more than 5% of our common stock, or other person constituting a Promoter, as such term is defined in the NASAA Statement of Policy Regarding Corporate Securities Definitions, except as described below or as otherwise approved by our Audit Committee consistent with the policies and procedures described below.
- The Company will make any future material affiliated transactions on terms that are no less favorable to the Company than those that can be obtained from unaffiliated third parties.
- A majority of the Company's Audit Committee will approve all future material transactions.
- The Company's officers, directors, and counsel will:
  - o consider their due diligence and assure that there is a reasonable basis for these representations, and
  - o consider whether to embody the representations in the issuer's charter or bylaws.

### **Transactions with Related Parties**

Emory University is a significant stockholder of the Company, and our primary product candidates are based on technology rights subject to a license agreement with Emory University, which we refer to as the Emory License. The Emory License, among other contractual obligations, requires payments based on milestone achievements, royalties on sales by the Company or on payments to the Company by our sublicensees, and payment of maintenance fees in the event certain milestones are not met within the time periods specified in the Emory License. We may terminate the Emory License upon 90 days prior written notice. In any event, the Emory License expires on the date of the latest expiration date of the underlying patents. We are also obligated to reimburse Emory University for certain ongoing costs in connection with the filing, prosecution and maintenance of patent applications subject to the Emory License. The expense associated with these ongoing patent reimbursements to Emory University amounted to \$50,186 for the year ended December 31, 2016.

On October 14, 2014, we entered into a letter agreement with Sabby Healthcare Volatility Master Fund, Ltd. and Sabby Volatility Warrant Master Fund, Ltd. with respect to the payment to them of a warrant exercise fee of \$0.075 per share for each share purchased upon exercise of Series A or Series C Common Stock Purchase Warrants ("Warrants") held by them. Each of these parties at that time held Warrants to acquire an aggregate of 2,666,666 shares of our common stock. They agreed to exercise Warrants equal to 9.98% of the outstanding shares of GeoVax (3,176,000 shares in the aggregate) upon execution of the letter, and we paid the exercise fee of \$238,200 subsequent to our receipt of the exercise price.

On February 25, 2015, we entered into a Securities Purchase Agreement (the "Securities Purchase Agreement") with Sabby Healthcare Master Fund, Ltd. and Sabby Volatility Warrant Master Fund, Ltd. (collectively, the "Purchasers") providing for the issuance and sale to the Purchasers of an aggregate of 3,000 shares of our Series C Convertible Preferred Stock (the "Preferred Shares") and related warrants for gross proceeds to the Company of \$3.0 million. Each Preferred Share was initially convertible into approximately 5,555.55 shares of our Common Stock for an aggregate total of 16,666,666 shares of our Common Stock (the "Conversion Shares"). The terms of the Preferred Shares include anti-dilution provisions. Pursuant to the Certificate of Designation which authorized the Series C Convertible Preferred Stock, the Preferred Shares may be converted at any time at the option of the Purchasers into shares of our Common Stock at a conversion price of \$0.18 per share (the "Conversion Price"). The Certificate of Designation contains price adjustment provisions, which may, under certain circumstances, (i) reduce the Conversion Price on several future dates, including the effective date of the registration statement to be filed to cover resale of the Conversion Shares, according to a formula based on the then-current market price for our common stock. We closed this transaction on February 27, 2015.

Pursuant to the Securities Purchase Agreement, each Purchaser was also issued a Series D Warrant, a Series E Warrant and a Series F Warrant (collectively, the "Warrants"), each to purchase up to a number of shares of the Company's Common Stock equal to 100% of the Conversion Shares underlying the Preferred Shares issued to such Purchaser pursuant to the Securities Purchase Agreement (up to 16,666,666 shares in the aggregate for each of the three series of warrants, or approximately 50,000,000 shares in total) (the "Warrant Shares"). The Series D Warrants had an initial exercise price of \$0.22 per share, were exercisable immediately, and have a term of exercise equal to five years from the date of issuance. The Series E Warrants had an initial exercise price of \$0.18 per share, were exercisable immediately, and had a term of exercise equal to one year from the date of issuance. The Series F Warrants had an initial exercise price of \$0.22 per share and had a term of exercise equal to five years from the date of issuance, but only vested and became exercisable upon, and in proportion to, the exercise of the one-year Series E Warrants held by each Purchaser (or its assigns). The Warrants contain anti-dilution and price adjustment provisions, which may, under certain circumstances, (i) reduce the exercise price on several future dates,

including the effective date of the registration statement to be filed to cover resale of the shares subject to the Warrants, according to a formula based on the then-current market price for our common stock and (ii) reduce the exercise price to match if we sell or grant options to purchase, including rights to reprice, our common stock or common stock equivalents at a price lower than the exercise price of the Warrants, or if we announce plans to do so. The number of shares subject to warrants will not increase due to such reductions in exercise price. We also issued the Maxim Warrant to our placement agent to acquire 1,333,333 shares of our common stock at an initial exercise price of \$0.22 per share on substantially the same terms and conditions of the Series D warrants.

The Purchasers also had the right to participate in certain future financings, subject to certain exceptions, and may invest up to 75% of the aggregate amount invested at that time. The Preferred Shares do not have voting rights except as required by law and are not entitled to a dividend. When issued, the Conversion Shares will have the voting rights afforded to all shares of Common Stock. The Preferred Shares have a liquidation preference equal to the initial purchase price.

On February 25, 2015, in connection with the closing of the private placement, we entered into a Registration Rights Agreement (the "Registration Rights Agreement") with the Purchasers. Under the Registration Rights Agreement, we are required to file a registration statement within 30 calendar days after signing the Registration Rights Agreement. Our failure to meet the filing deadlines and other requirements set forth in the Registration Rights Agreement may subject us to monetary penalties.

On February 15, 2016, we entered into an agreement with Sabby Healthcare Master Fund, Ltd. and Sabby Volatility Warrant Master Fund, Ltd. (the "Purchasers") with respect to amending the terms of Series E Common Stock Purchase Warrants issued February 27, 2015 ("Series E Warrants"). Pursuant to the agreement, we extended the term of the Series E Warrants to August 27, 2016 and agreed to the payment to each Purchaser of a warrant exercise fee of \$0.02916 per share for each share purchased upon exercise of the Series E Warrants. In exchange, the Purchasers promptly exercised Series E Warrants to purchase an aggregate of 3,664,588 shares, resulting in total net proceeds to us of \$238,198 (after payment of the warrant exercise fee). During May, June and August (through August 16), the Purchasers exercised an additional 7,350,000 Series E Warrants, resulting in total net proceeds to us of \$477,751.

On August 19, 2016, we entered into an agreement with the Purchasers with respect further amending the terms of the Series E Warrants and amending the terms of the Series A Common Stock Purchase Warrants issued March 21, 2012 ("Series A Warrants") held by them. Pursuant to the agreement, we extended the term of the Series E Warrants to December 31, 2016 and agreed to the payment to each Purchaser of a warrant exercise fee of \$0.02916 per share for each share purchased upon exercise of the Series A Warrants. In exchange, the Purchasers promptly exercised all of their remaining 1,207,332 Series A Warrants and 3,600,000 Series E Warrants, resulting in total net proceeds to us of \$312,476 (after payment of the warrant exercise fee). During December (through December 19), the Purchasers exercised an additional 550,000 Series E Warrants, resulting in total net proceeds to us of \$35,750.

On December 22, 2016, we entered into an agreement with the Purchasers with respect to increasing the previously agreed to warrant exercise fee from \$0.02916 to \$0.04416 per share for each share purchased upon exercise of the Series E Warrants, resulting in an effective exercise price of \$0.05 per share. In exchange, the Purchasers promptly exercised all of their remaining 1,502,078 Series E Warrants as well as 4,010,422 of their Series D Common Stock Purchase Warrants ("Series D Warrants"), resulting in total net proceeds to us of \$275,625.

On April 7, 2017, we entered into an agreement with the Purchasers with respect to the exercise by the Purchasers of their Series D Common Stock Purchase Warrants ("Series D Warrants") to acquire an aggregate of 2,500,000 shares of our common stock for cash at \$0.05 per share in return for a warrant exercise fee of \$0.01 per share purchased.

**PROPOSAL 2**  
**RATIFICATION OF APPOINTMENT OF**  
**INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Audit Committee has appointed the firm of Porter Keadle Moore LLC (“PKM”) to serve as the independent registered public accounting firm of GeoVax Labs, Inc. for the fiscal year ending December 31, 2017. PKM has served as the independent registered public accounting firm of the Company since 2006, and is considered by the Audit Committee and management to be well qualified.

The aggregate fees billed for the services rendered to us by PKM for the years ended December 31, 2016 and 2015 were as follows:

	<u>2016</u>	<u>2015</u>
Audit Fees (1).....	\$ 99,500	\$ 97,900
Audit-Related Fees.....	-	-
Tax Fees.....	-	-
All Other Fees.....	-	-
Total.....	<u>\$ 99,500</u>	<u>\$ 97,900</u>

(1) Audit Fees for 2016 and 2015 consisted principally of fees for professional services in connection with the audits of our consolidated financial statements, review of our Annual Report on Form 10-K, review of our interim financial statements and Quarterly Reports on Form 10-Q, and review of SEC registration statements.

**Audit Committee’s Pre-Approval Policies and Procedures**

The Audit Committee has adopted policies and procedures for pre-approving all audit and non-audit services provided by our independent auditors (the “Policy”) prior to the engagement of the independent auditors with respect to such services. Under the Policy, proposed services may be pre-approved on a periodic basis or individual engagements may be separately approved by the Audit Committee prior to the services being performed. In each case, the Audit Committee considers whether the provision of such services would impair the independent auditor’s independence. All audit services and non-audit services provided by PKM for 2015 and 2014 were pre-approved by the Audit Committee.

Stockholder ratification of the Audit Committee’s selection of PKM as our independent registered public accounting firm for the year ending December 31, 2017 is not required by our Bylaws, or otherwise. Nonetheless, the Board of Directors has elected to submit the selection of PKM to our stockholders for ratification. The selection will be ratified if a majority of the votes cast at the Annual Meeting on the proposal vote in favor. Abstentions and broker non-votes are not treated as votes cast, and therefore will have no effect on the outcome of either proposal. If the selection of PKM as our independent registered public accounting firm for the year ending December 31, 2017 is not ratified, the matter will be referred to the Audit Committee for further review.

Representatives of PKM are expected to be present at the Annual Meeting and will have an opportunity to make a statement if they desire to do so. They also will be available to respond to appropriate questions from stockholders.

**THE AUDIT COMMITTEE AND BOARD OF DIRECTORS UNANIMOUSLY RECOMMEND THAT THE STOCKHOLDERS VOTE “FOR” THE PROPOSAL TO RATIFY THE APPOINTMENT OF PORTER KEADLE MOORE LLC AS THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM OF GEOVAX LABS INC. FOR FISCAL 2017.**

## REPORT OF THE AUDIT COMMITTEE

The Audit Committee of the Board of Directors is providing this report to enable stockholders to understand how it monitors and oversees the Company's financial reporting process. The Audit Committee consists of three directors, each of whom are independent in accordance with the criteria of independence set forth in Section 301(3)(B) of the Sarbanes-Oxley Act of 2002 and operates pursuant to an Audit Committee charter that is reviewed annually by the Audit Committee and updated as appropriate. The Audit Committee charter is available on our web site at <http://www.geovax.com>.

Management is responsible for the Company's internal controls and the financial reporting process. The independent registered public accounting firm is responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards and issuing a report thereon. The Committee's responsibility is to monitor and oversee these processes.

This report confirms that the Audit Committee has: (i) reviewed and discussed the audited financial statements for the year ended December 31, 2016 with management and the Company's independent public accountants; (ii) discussed with the Company's independent public accountants the matters required to be discussed pursuant to Auditing Standard No. 61 (Communications with Audit Committees); (iii) received and reviewed the written disclosures and letter from the Company's independent public accountants as required by the Public Company Accounting Oversight Board regarding the independent accountants' independence; and (iv) discussed with the Company's independent public accountants their independence from the Company.

The Audit Committee of the Board of Directors has considered whether the provision of non-audit professional services rendered by Porter Keadle Moore LLC, as discussed above and disclosed elsewhere in this proxy statement, is compatible with maintaining their independence.

Based upon the above review and discussions, the Audit Committee recommended to the Board of Directors that the audited financial statements for the year ended December 31, 2016 be included in the Company's Annual Report on Form 10-K for filing with the Securities and Exchange Commission.

Respectfully submitted,

**AUDIT COMMITTEE**

Randal D. Chase

Dean G. Kollintzas

**PROPOSAL 3**  
**ADVISORY VOTE: APPROVAL OF THE COMPENSATION**  
**OF OUR NAMED EXECUTIVE OFFICERS**

As required by Section 14A of the Exchange Act, we are asking our stockholders to approve, on a non-binding, advisory basis, the compensation of our Named Executive Officers as disclosed in accordance with the SEC's rules in the "Executive Compensation" section of this proxy statement. This proposal, commonly known as a "say-on-pay" proposal, gives our stockholders the opportunity to express their views on our Named Executive Officers' compensation as a whole. This vote is not intended to address any specific item of compensation or any specific Named Executive Officer, but rather the overall compensation of all of our Named Executive Officers and the philosophy, policies and practices described in this proxy statement. The say-on-pay vote is advisory, and therefore not binding on the Company, the Compensation Committee or the Board of Directors. The say-on-pay vote will, however, provide information to us regarding investor sentiment about our executive compensation philosophy, policies and practices, which the Compensation Committee will be able to consider when determining executive compensation in the future. Our Board of Directors and Compensation Committee value the opinion of our stockholders and to the extent there is any significant vote against the Named Executive Officer compensation as disclosed in this proxy statement, the Compensation Committee will evaluate whether any actions are necessary to address those concerns.

In general, the Company operates in a marketplace where competition for talented executives is intense and significant. The biopharmaceutical industry is highly competitive and includes companies with far greater resources than ours. We are engaged in the long-term development of drug candidates without the benefit of significant current product revenues, and therefore our operations involve a high degree of risk and uncertainty. This level of risk and uncertainty may make it difficult to attract and retain talented executives. Nevertheless, continuity of personnel across multi-disciplinary functions is critical to the success of our business. Furthermore, since we have relatively few employees, each must perform a broad scope of functions, and there is very little redundancy in skills.

The three primary compensation elements used for executive officers are base salary, cash bonus, and stock option awards.

*Base Salary*

The Compensation Committee and the Board of Directors seek to maintain executive base salary at a competitive level sufficient to recruit and retain individuals possessing the skills and capabilities necessary to achieve our goals over the long term. Base salaries provide our executive officers with a degree of financial certainty and stability and also reward individual achievements and contributions.

*Cash Bonus*

Annual cash incentive awards motivate our executive officers to contribute toward the achievement of corporate goals and objectives. Generally, every employee is eligible to earn an annual cash incentive award, promoting alignment and pay-for-performance at all levels of the organization. The Company does not have a formalized cash incentive award plan, and awards are based on the subjective recommendation of the President and Chief Executive Officer (except as to the President and Chief Executive Officer's cash bonus) and on the Compensation Committee's subjective judgment.

*Stock Option Awards*

Stock option awards are a fundamental element in the Company's executive compensation program because they emphasize long-term performance, as measured by creation of stockholder value, and align the interests of our stockholders and management. In addition, the Compensation Committee believes they are crucial to a competitive compensation program for executive officers, and they act as a powerful retention tool. In its current pre-commercial state, the Company's still facing a significant level of risk, but with the potential for a high reward over a period of time, and therefore the Compensation Committee believes that stock incentive awards are appropriate for executive officers. These awards are provided through initial grants at or near the date of hire and through subsequent, periodic grants. The initial grant is typically larger than subsequent, periodic grants and is intended to motivate the officer to make the kind of decisions and implement strategies and programs that will contribute to an increase in our stock price over time. Subsequent periodic stock option awards may be granted to reflect each executive officer's ongoing contributions to the Company, to create an incentive to remain at the Company, and to provide a long-term incentive to achieve or exceed our corporate goals and objectives. The Company does not have a formula for determining stock option awards. Awards are generally based on the subjective recommendation of the President and Chief Executive Officer and on the Compensation Committee's subjective judgment. The Compensation Committee does not typically give much weight to the overall levels of stock and stock options owned by the Company's

executive officers and directors. The accounting and tax treatment of compensation generally has not been a factor in determining the amounts of compensation for the Company's executive officers.

At its meeting in November 2016, and as subsequently approved by the Board of Directors in December 2016, in addition approving annual stock option grants as discussed in the preceding paragraph, the Compensation Committee approved supplemental stock option grants to those executive officers who had voluntarily agreed to salary deferrals in order to help conserve the Company's cash resources. These additional awards were determined using a factor based on the Compensation Committee's subjective judgment and intended to recognize the individual sacrifice as well as providing additional future incentive.

We currently include solicitation of the say-on-pay vote at each annual meeting of stockholders. At our 2016 annual meeting of stockholders held on June 14, 2016, the say-on-pay proposal was approved.

We believe that the executive compensation information provided in this proxy statement demonstrates that our executive compensation program was designed appropriately and is working to ensure management's interests are aligned with our stockholders' interests to support the success of our business. Accordingly, we are asking our stockholders to vote "FOR" the following resolution at the Annual Meeting:

"RESOLVED, that the compensation paid to the Company's Named Executive Officers, as disclosed in the proxy statement for the Company's 2017 Annual Meeting of Stockholders pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the compensation tables and related narrative discussion, is hereby APPROVED."

**THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE APPROVAL, ON AN ADVISORY BASIS, OF THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS AS DISCLOSED IN THIS PROXY STATEMENT.**
